

Terms & Conditions

Effective Date: August 25, 2026

These Terms & Conditions govern your use of the Road Ready Academy LLC website and your registration for programs, courses, workshops, virtual driving experiences, and other services offered by Road Ready Academy.

By using this website, creating a registration, scheduling a service, or making a payment, you agree to these Terms & Conditions.

1. About Road Ready Academy

Road Ready Academy LLC provides driver education-related programs and services designed to support safer, more confident drivers and their families.

Services offered may include defensive driving courses, virtual driving experiences, parent and teen workshops, educational resources, and other programs made available by Road Ready Academy.

Availability of programs and services may change.

2. Registration

Customers are responsible for providing accurate and complete information when registering for a program or service.

For students under the age of 18, registration may require the involvement, authorization, or consent of a parent or legal guardian.

Road Ready Academy reserves the right to request additional information when reasonably necessary to complete registration or verify eligibility for a program.

3. Program Eligibility

Certain programs may have minimum age, documentation, licensing, court, insurance, or other eligibility requirements.

Customers are responsible for reviewing the requirements for the program they select and providing any required documentation.

Enrollment does not guarantee that a course or program will satisfy a particular court, insurance company, employer, licensing agency, or government requirement unless specifically stated by Road Ready Academy.

Customers should confirm outside requirements with the appropriate organization before registering.

4. Payments

Payment may be required at the time of registration or scheduling.

Prices displayed on the website are subject to change. However, customers will be charged the price presented and accepted at the time of purchase unless otherwise disclosed.

Payments may be processed through authorized third-party payment providers. Road Ready Academy does not control the policies or systems of third-party payment processors.

5. Cancellations, Rescheduling, and Refunds

Cancellations, rescheduling requests, missed appointments, and refunds are subject to Road Ready Academy's current cancellation and refund policies.

Customers are responsible for reviewing applicable cancellation or rescheduling requirements before completing a purchase.

Road Ready Academy may reschedule or cancel a class, workshop, appointment, or other service when necessary because of instructor availability, weather, equipment issues, safety concerns, insufficient enrollment, emergencies, or other circumstances outside our reasonable control.

When Road Ready Academy cancels a service, customers will be provided with appropriate rescheduling or refund options when applicable.

6. Attendance and Late Arrivals

Customers are responsible for arriving on time for scheduled classes, workshops, and appointments.

Certain courses may require full attendance to receive completion documentation.

Late arrival, early departure, or missed portions of a program may prevent a student from completing the program or receiving a certificate of completion.

7. Virtual Driving Experiences

Road Ready Academy may provide simulator-based or virtual driving experiences designed to expose participants to driving scenarios in a controlled environment.

Virtual driving experiences are educational and supplemental in nature.

Simulator participation does not guarantee driving proficiency, licensing eligibility, successful completion of a road test, accident prevention, or any specific driving outcome.

Unless Road Ready Academy specifically states otherwise in writing, customers should not assume simulator time satisfies state-required supervised driving hours or other licensing requirements.

8. Defensive Driving Courses

Road Ready Academy may offer defensive driving programs provided through or associated with third-party curriculum providers.

Course completion requirements may include attendance, participation, testing, or other requirements established by the applicable program provider.

Road Ready Academy cannot guarantee that completion of a defensive driving program will result in dismissal of a citation, reduction of insurance premiums, removal of points, or any other specific legal or insurance outcome.

Participants should confirm eligibility and requirements with the appropriate court, insurance carrier, or other requesting organization.

9. Parent and Teen Programs

Parent and teen workshops and educational programs are intended to provide information, resources, and practical strategies to support families during the learning-to-drive process.

These programs do not replace parental supervision, professional driving instruction where required, state licensing requirements, or the individual responsibility of a driver.

Parents and guardians remain responsible for supervising minors and determining when and under what conditions a teen practices driving.

10. Safety and Participant Conduct

Participants are expected to follow all safety instructions and staff directions while attending Road Ready Academy programs.

Road Ready Academy reserves the right to stop or refuse participation when a participant's conduct creates a safety concern, substantially disrupts a program, damages equipment, or interferes with other participants.

Threatening, abusive, dangerous, or intentionally destructive behavior may result in removal from the premises or termination of participation.

11. Educational Outcomes

Road Ready Academy is committed to providing quality educational experiences; however, individual results vary.

Road Ready Academy does not guarantee that participation in any program will result in:

- Passing a permit or licensing examination
- Passing a road skills test
- Obtaining a driver's license
- Avoiding crashes, citations, or traffic violations
- Reducing insurance premiums
- Receiving court credit
- Achieving any particular level of driving proficiency

Safe driving requires continued practice, responsible decision-making, compliance with traffic laws, and appropriate supervision.
